Proceedings of the Government of Mysore.

(Geological).

Read :-

Memo No. 36, dated 12th April 1901, from the State Geologist in Mysore, requesting sanction to the transfer of the Gas Works to the Agricultural Chemist's Department and to authorize the Agricultural Chemist to make the necessary provision in the budget of his Department for the establishment and maintenance of the works.

NO. 362-3 G. / 3-61 Dated, Bangalore, 15th June 1901.

ORDER THEREON :- The Government are pleased to sanction the transfer of the Gas Works from the Geological Department to the Agricultural Chemist's Department with effect from 1st July 1901.

2. The establishment of the Gas Works, as per margin, will also be transferred from the Geological to the Agricultural Chemist's Department and the Comptroller is requested to make the necessary alterations in the respective budgets of these Departments.

1 Fireman.....	Rs. 20/-	per mensem.
1 Asst. Fireman.	" 10/-	per mensem.
Total	Rs. 30/-	per mensem.

3. As regards the maintenance of the works, the annual

annual cost is reported by the State Geologist to be about Rs. 900 per annum, as per margin, and the necessary provision will be made in the Agricultural Chemist's budget for this purpose.

For Coal	Rs.	240.
" Kerosine Oil	"	600.
" Fuel	"	30.
" Sundries.	"	30.
Total	Rs.	900.

4. With reference to para 5 of Government Proceedings (General & Revenue Departments) No. 9638-40/R.F.12-1900, the Government observe that the usual annual allotment for contingencies, (viz. Rs. 4800), in the budget of the Geological Department has been found during the past 4 or 5 years to be insufficient for the requirements of that Department and that every year additional grants had to be made to this head from other heads of the budget of the Department. The Government are accordingly pleased to direct, in modification of their order, in the General & Revenue Departments, quoted above, that the contingent grant of the Geological Department may be kept at the entire amount hitherto allowed and that an additional provision of Rs. 900 may be made in the Agricultural Chemist's budget for the maintenance of the Gas Works.
